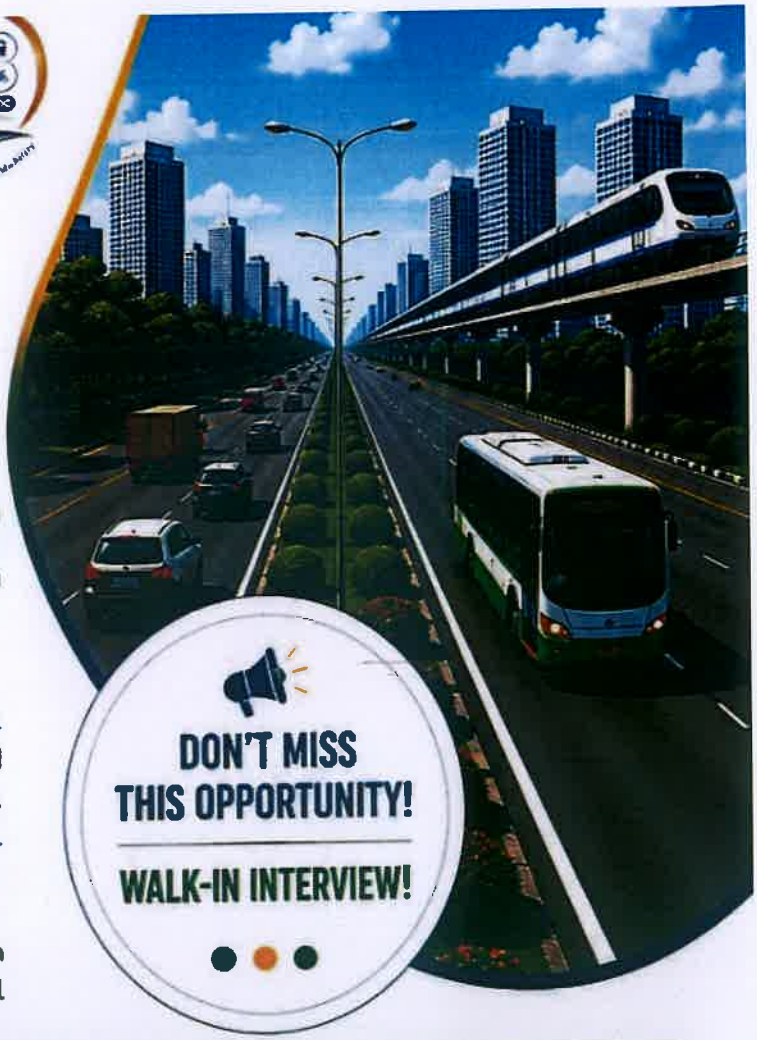
KSCSTE - NATPAC

KSCSTE-NATPAC
INDUSTRY EXPOSURE SCHEME
FOR POSTGRADUATES



This scheme enables postgraduates to gain practical exposure to real-world projects in transportation and allied fields, opportunities to work with experts, develop professional skills, and strengthen technical competencies.

It is an unpaid, non-remunerative programme, with an experience certificate awarded upon successful completion.

DOMAIN EXPERTISE

1. Highway Materials and Design
2. Traffic Engineering and Traffic Safety
3. Transportation Planning and Management
4. Transport Economics
5. Water Transportation
6. Geographic Information System (GIS)
7. Geotechnical Engineering
8. Environmental Engineering
9. Structural Engineering
10. Urban Planning

WHAT YOU WILL GAIN

Industry Exposure:
Exposure to ongoing projects in the field of transportation and allied domains.

Hands-on Experience:
Hands-on experience with data collection, field surveys, survey analysis, and advanced laboratory testing techniques.

- Traffic Surveys – classified volume counts, speed & delay studies, travel time studies
- Total Station Survey – for accurate road geometry and topographic data collection
- Laboratory Testing –
  - Aggregate Testing
  - Bitumen Testing
  - Bituminous Mixture Design
  - Soil Testing

Training Opportunities:
Opportunity to attend expert in-house training programmes conducted in NATPAC.

Certificate of Completion:
Certificate provided upon successful completion.

ELIGIBILITY

- Postgraduates in various fields (M.Tech/ M.Plan/ M.A. Economics/ M.Sc. Environmental Science and other relevant disciplines)

DURATION

3 MONTHS

UNPAID, NON-REMUNERATIVE EXPOSURE PROGRAMME

WALK-IN INTERVIEWS AT NATPAC OFFICES

- THIRUVANANTHAPURAM: 27/11/2026
- ERNAKULAM: 27/11/2026
- KOZHIKODE: 27/11/2026

Reporting & Registration: 9:00 AM - 10:00 AM

Interview: From 10:00 AM onwards

DOCUMENTS REQUIRED

- UG & PG degree certificates and consolidated mark sheets
- ID Proof (Aadhaar Card/ Passport/ Election Identity Card/ Driving License)

File No. NATPAC/380/2026-GA1 (Computer No. 78134)
