GENERAL CONDITIONS

Sealed tenders are invited for the supply & installation of the materials as specified in the schedule below attached.

1. The tenders should be addressed in the prescribed form to the officer mentioned in the superscription in a sealed cover with the tender number and name duly super scribed on the cover.
2. The rates quoted should be only in Indian Currency.
3. Intending bidders should send their tenders so as to reach the officer mentioned in the superscription on due date and time. No tender received after the specified date and time will be accepted on any account. The rates will be considered firm for acceptance up to 6 months. Tenders not stipulating period of firmness and tenders with price variation clause and / or 'subject to prior sale' condition are liable to be rejected.
4. Every bidder should send along with his tender, an Earnest Money Deposit (EMD) of *one percent of the total cost of the articles tendered for*, in the form of Demand Draft drawn in the name of the Director, National Transportation Planning and Research Centre, payable at Thiruvananthapuram. The EMD of the unsuccessful bidder will be returned as soon as possible after the tenders are settled; but that of the successful tenders will be adjusted towards the security that will have to be deposited for the satisfactory fulfillment of the contract. No interest will be paid for the Earnest Money Deposited.
5. If any bidder withdraws from his tender before expiry of the period fixed the rates firm for acceptance, the EMD, if any, deposited by him will be forfeited to the Centre or such action taken against him as the Centre may think fit.
6. The final acceptance of the tenders rests entirely with the Director, National Transportation Planning and Research Centre who does not bind himself to accept the lowest or any tender. But the bidder on their part should be prepared to carry out such portion of the supplies included in their tenders as may be allotted to them.
7. The successful bidder shall execute an agreement for the due fulfillment of the contract within a period specified in the letter of acceptance. The contractor shall have to pay all stamp duty, lawyer's charges and other expenses incidental to the execution of the agreement. Failure to execute the agreement within the period specified will entail the penalties set out in para 8 below.
8.
 - i) The successful bidder shall, before signing the agreement, within period specified in the letter of acceptance of his tender, deposit a sum equivalent to 5 per cent of the value of the contract as security for the satisfactory fulfillment of the contract as security may be deposited in the manner prescribed in clause 5 supra. (No other form of security other than Demand Draft shall be accepted). If the successful bidder fails to deposit the security and execute the agreement as stated above, the EMD will be forfeited to the Centre and the contract arranged elsewhere at the defaulter's risk and any loss incurred by the Centre on account of the purchase will be recovered from the defaulter who will, however, not be entitled to any gain accruing thereby. If the defaulting firm is a registered firm, their registration is liable to be cancelled.

- ii) In cases where a successful bidder, after having made partial supplies fail to fulfill the contract in full, all or any of the materials not supplied may, at the discretion of the Director, National Transportation Planning and Research Centre, be purchased by means of another tender/quotation or by negotiation or from the next higher bidder who had offered to supply already and the loss, if any, caused to the Centre shall thereby together with such sums as may be fixed by the Centre towards damages be recovered from the defaulting bidders.
 - iii) Even in cases where no alternate purchases are arranged for the materials not supplied, the proportionate portion of the security deposit based on the cost of the materials not supplied at the rates shown in the tender of defaulter shall be forfeited and the balance alone shall be refunded.
9. In case there is no guarantee or warranty for the goods supplied, the security deposit shall, subject to the conditions specified here in, be returned to the Contractor within three months after the expiry of the contract. But in case of any dispute arising, the National Transportation Planning and Research Centre shall be entitled to deduct out of the deposit or the balance thereof, until such dispute is determined, the amount of such damages, costs, charges and expenses as may be claimed. The same may also be deducted from any other sum which may be due at any time from the Centre to the contractor. In all cases there is guarantee / warranty for the goods supplied the security deposit will be released only after expiry of the guarantee / warranty period. No interest shall be paid for security deposit even if its release is delayed.
10. The bidders shall quote also the percentage of rebate (discount) offered by them in case the payment is made promptly (period to be specified).
11. Payments will be made only after the supplies are actually received, installed, commissioned and completion certificate from authorized officers are submitted. The payments will be made ONLY in Indian rupees in the form of local cheques / DD payable in India. In the case of DD all incidental expenses must be met by the supplier(s).
12. The contractor shall not assign or make over the contract or the benefits or burdens thereof to any other person or body corporate. The contractor shall not underlet or sublet to any person or persons or body corporate the execution of the contract or any part thereof without the consent in writing of the Director, National Transportation Planning and Research Centre who shall have absolute powers to refuse such consent or to rescind such consent (if given) at any time if he is not satisfied with the manner in which the contract is being executed and no allowance or compensation shall be made to the contractor or the sub contractor upon such rescission. Provided always that if such consent be given at any time, the contractor shall not be relieved from any obligation, duty or responsibility under this contract.
13. In case the contractor becomes insolvent, or goes into liquidation, or made or propose to make any assignment for the benefit of his creditors or proposes any composition with his creditors for the settlement of his debts, or carries on his business or the contract under inspection on behalf of his creditors or in case any receiving order or orders, for the administration of his estate are made against him, or in case the contractor shall commit any act of insolvency or in case in which under any clause or clauses of his contract the contractor shall have rendered himself liable to damages amounting to the whole of security deposits, the contract shall there upon, after notice given by the Director to the contractor be determined and the Centre may complete the contract in such time and manner and by such persons as the National Transportation Planning and Research Centre shall think fit. But such determination of contract shall be without any prejudice to any right or remedy of the Centre against the contract or his sureties in respect of any breach of contract therefore committed by the

contractor. All expenses and damages caused to the National Transportation Planning and Research Centre by any breach of contract by the contractor shall be paid by the contractor to the Centre and may be recovered from him under the provisions of the Revenue Recovery Act in force in the State.

14. In case the contractor fails to supply and deliver any of the said articles and things within the time provided for delivery of the same, or in case the contractor commits any breach of any of the covenants, stipulations and agreements herein contained, and in his part to be observed and performed, then and in any such case, it shall be lawful for the centre (if it shall think fit to do so) to arrange for the purchase of the said article sand things from elsewhere or on behalf of the centre by an order in writing under hand of the Director put an end to this contract and in case the Centre shall have incurred, sustained or been put to any costs, damages or expenses by reason of such purchase or by reason of this contract having been so put an end to or in case and difference in price, compensation, loss, costs, damages, expenses and other moneys as shall for the time being be payable by the contractor aforesaid.
15. In case any difference or dispute arises in connection with the contract, all legal proceedings relating to the matter shall be instituted in the Court at Thiruvananthapuram only.
16. Any sum of money due and payable to the contractor (including security deposit returnable to him) under this contract may be appropriated by the Centre or any other person authorized by the Centre and set off against any claim of the Centre for the payment of a sum of money arising out of or under any other contract made by the contractor with the Centre or any other person authorized by the Centre. Any sum of money due and payable to the successful bidder or contractor from Centre shall be adjusted against any sum of money due to the Centre from him under any other contracts.
17. Every notice hereby required or authorized to be given may be either given to the contractor personally or left at his residence or last known place of abode or business or may be handed over to his agent personally or may be addressed to the contractor by post at his usual or last known place of abode or business and if so addressed and posted shall be deemed to have been served on the contractor on the date on which, in ordinary course of post a letter so addressed and posted would reach his place of abode or business.
18. The bidder shall undertake to supply materials according to the standard sample and/or specifications.
19. Any attempt on the part of the bidder, or their agents to influence the contract in their favor by personal canvassing with the officers concerned will disqualify the bidders.
20. Bidders should be prepared to accept orders subject to the penalty clause for forfeiture of security in the event of default in supplies or failure to supply within the stipulated period.
21. The rates quoted should be inclusive of all taxes, duties, etc., which are or may become payable by the contractor under existing or future laws or rules of the country of origin /supply or delivery during the course of execution of the contract. Incase ST or any other tax is extra, the rate payable must be clearly specified.
22. The tender will invariably furnish the following certificates with their bill for payment.

“Certified that the goods on which Sales Tax has been charged have not been exempted under the Central Sales Tax Act or the State Sales Tax Act or the rules made there under and the

charge on account of Sales Tax or VAT on these goods are correct under the provisions of the relevant act or the rules made there under.”

“Certified further that we (or Branch or Agent)

(Address)

are registered as dealers in the State of under Registration No..... for the purposes of Sales Tax/VAT.”

23. Special condition, if any, of the tenders attached with the tender will not be applicable to the contract unless they expressly accepted in writing by the centre.
24. The bidder should send along with his tender an agreement executed and signed in Kerala Stamp Paper worth ₹ 200/-. A specimen form of agreement is given as annexure to the tender. Tenders without agreement Stamp Paper will be rejected out-right.

DIRECTOR,
KSCSTE-NATPAC

Special Conditions.

1. Those who capable of completing the work within the time specified in the Schedule alone need furnish bids.
2. The Rate quoted should be all inclusive for the supply of the items at the station specified in full and good condition.
3. The Centre will be free to award supply order of the items specified in the Schedule to different bidders if necessary.
4. The Centre will be free to accept belated supplies realizing penalty not exceeding 2% of the total value of the contract. The acceptance of belated supplies and realizing penalty are at the sole discretion of the Director, NATPAC.
5. The payment will be made only after effecting complete supply installation and certification of the materials supplied at the places specified in Condition No.2 above. No advance or part payment will be made.
6. Taxes, If any, realizable at sources as per rules of Government (Central or State) will be deducted while effecting payment.
7. The contractor shall certify that the stores supplied to the purchaser under any supply order placed against this contract are of the best quality and workmanship and new in all respects and are strictly in accordance with the specification and particulars mentioned in the quotation and supply order.
8. The contractor shall guarantee that the stores supplied would continue to be of the same quality and particulars for a period of 12 months or guarantee period whichever is longer period from the date of final acceptance of the store by the consignee. The contractor further agrees that notwithstanding the fact that the quality have inspected and/or approved the said stores, if during the aforesaid guarantee period or 12months, the said stores be discovered not to conform to the description and quality aforesaid not giving satisfactory performance or have deteriorated and the decision of the centre in that behalf shall be final and binding on the contractor and the purchaser shall be entitled to call upon the contractor to rectify and/or replace the stores or such portion thereof as is found to be defective by the centre within a reasonable period, or such specified period as may be allowed by the centre in his discretion of application made thereof by the contractor and in such event, the above period shall apply to the stores rectified and/or replaced from the date of rectification and/or replacement mentioned in warranty thereof. Otherwise the contractor shall pay to the centre such compensations may arise by reasons of the warranty therein contained.
9. The contractor shall furnish the warranty to the effect that before going out of production for the spare parts, they will give adequate notice to the purchaser of the equipment so that the latter may undertake the balance of lifetime requirements.
10. The contractor shall furnish the warranty to the effect that they will furnish the blue prints of drawings, of the spares, if and when required in connection with the main equipment.
