

Sl. No	Name of Institution	Course	Topic
1.	Marian Engineering College, Trivandrum	B.Tech. (CE) (6 students)	Evaluation of SMA reinforced with glass fibres
2.	SCMS School of Engineering and Technology, Kochi	B.Tech. (CE) (4 students)	Study of asphalt mixtures reinforced with coir fibre
3.	Amrita School of Engineering, Coimbatore	B.Tech. (CE) (3 students)	Investigating the effect of cyclic variation of temperature on the performance of coir reinforced SMA
4.	Amrita School of Engineering, Coimbatore	B.Tech.(CE) (3 students)	Investigating the effect of alternate wetting and drying on the performance of coir reinforced SMA
5.	SCMS School of Engineering and Technology, Kochi	B.Tech. (CE) (4 students)	Performance evaluation of SMA reinforced with cellulose fibre
6.	Layola College Engineering Nagercoil	B.Tech. (CE) (4 students)	Performance of jarofix as a filler in bituminous concrete
7.	Cochin Institute of Science and Technology, Muvattupuzha	B. Tech. (CE) (4 students)	Laboratory Investigation of porous asphalt mixes containing NRMB and polypropylene fibres
8.	Layola College Engineering Nagercoil	B. Tech. (CE) (4 students)	Utilization of red mud as a construction material
9.	Mar Ephraem college Engineering and Technology, Elauvilai	B. Tech. (CE) (2 students)	Performance evaluation of stone matrix asphalt and bituminous concrete
10.	Christ College of Engineering Thrissur	B. Tech. (CE) (4 students)	Effect of evotherm and sasobit in warm mix asphalt
11.	John Cox Memorial CSI Institute of Technology	B. Tech. (CE) (4 students)	Mapping of aggregate resources in Trivandrum District
12.	Sree Budha College of Engineering	B. Tech. (CE) (4 students)	Mapping of aggregate resources in Kottayam District
13.	Vellore Institute of Technology, Vellore	B. Tech. (CE) (1 students)	Resource mapping of aggregate materials in Thrissur District
14.	Marian Engineering College	B. Tech. (CE) (4 students)	Mix design of stone mastic asphalt using Recron-3S fiber
15.	Trinity College of Engineering	B. Tech. (CE) (4 students)	Effect of warm mix additive evotherm on BC mix
